

Melvin and Elnora Sheehan recently received the **LIEUTENANT GOVERNOR'S SENIOR SERVICE AWARD**. They are shown here receiving a plaque, being presented by Lt. Governor Peter Kinder and enjoying recognition from Representative Zachary Wyatt who represents Putnam and Sullivan Counties. The Sheehans have served as Provide A Ride volunteer drivers for almost 5 years and have transported seniors to Columbia, Kansas City, Des Moines and other destinations. They volunteer wherever they are needed in their community and are also trained volunteers for the *Live Like Your Life Depends On It* program. The Agency has received many comments from clients about how kind and helpful Melvin and Elnora are. Congratulations and thank you for your tireless service to others!
